3.1.3 How cookies are used on this website?

When you visit our website, cookies are stored on your computer. Cookies are small text files that are stored on your hard drive assigned to the browser you are using and through which certain information flows to the location that sets the cookie. They are necessary in order to display the website and its contents correctly. We also use cookies to identify you for subsequent visits if you have an account with us. Otherwise, you will have to log in again each time you visit our website.

This website uses the following types of cookies, the scope and functionality of which are explained below:

Transient Cookies

These cookies are automatically deleted when you close your browser. These include in particular session cookies. They store a so-called session ID, which can be used to assign various requests from your browser to the shared session. This enables your computer to be recognised when you return to our website. The session cookies are deleted when you log out or close your browser.

Persistent Cookies

These cookies are automatically deleted after a specified period, which may vary depending on the cookie. You can delete the cookies at any time in the security settings of your browser.

Cookies Refusal

You can configure your browser settings according to your wishes and, for example, refuse the acceptance of third-party cookies or all cookies. We would like to point out that you may then not be able to use all the functions of this website.

4. WILL MY DATA BE TRANSMITTED TO THIRD PARTIES?

For Riva Stahl to be able to process your data in accordance with the purposes described above, it may be necessary for other recipients to be able to view and process your data as well.

4.1 Recipients within the Riva Group

In special cases it may be necessary for us to process your data group-wide. However, data processing within the Riva Group will only take place if we have legal permission to do so. This is the case, for example, if other companies in the Riva Group act on our behalf within the framework of order processing or if there is a justified interest pursuant to Art. 6 (1) f GDPR.

4.2 External service providers (contract processors)

Your data will be passed on to service partners if they act on our behalf and support Riva Stahl in the provision of its services.

A processing of your personal data by commissioned service providers takes place in the context of order processing according to Art. 28 GDPR.

5. WILL MY DATA BE PROCESSED OUTSIDE THE EU AND HOW WILL DATA PROTECTION BE ENSURED?

We attach great importance to processing your data within the EU. We therefore only use service providers who are based in the EU and process your data here.

6. HOW LONG WILL MY DATA BE STORED?

We delete your personal data as soon as the purpose of storage no longer applies and statutory retention periods do not prevent deletion.

7. WHAT RIGHTS DO I HAVE AND HOW CAN I EXERCISE THEM?

You have the following rights against us with regard to your personal data:

7.1 General rights

You have the right of access, rectification, cancellation, limitation of processing, opposition to processing and transfer of data. As far as processing is based on your consent, you have the right to revoke it with effect for the future.

Pursuant to Art. 21 (1) GDPR, you have the right, for reasons arising from your particular situation, to object at any time to the processing of your personal data on the basis of Art. 6 (1) e GDPR (data processing in the public interest) or Article 6 (1) f GDPR (data processing to safeguard a legitimate interest).

In the event of your objection, we will no longer process your personal data unless we can prove compelling reasons for the processing worthy of protection which outweigh your interests, rights and freedoms, or the processing serves the assertion, exercise or defence of legal claims.

If we process your personal data for the purpose of direct advertising, you have the right, pursuant to Art. 21 (2) GDPR, to object at any time to the processing of your personal data for the purpose of such advertising.
